24.3.3 If the MasterBond insurance or similar insurance cover does not apply and the amount in dispute is above the small claims county court limit, by court proceedings.

Or, **you** and **we** can deal with the dispute by arbitration. **You** and **we** must both agree this, in writing, when the dispute arises.

#### 24.4 Arbitration

# Guidance notes issued by the FMB for the FMB Plain English Domestic Building Contract

## 1 Using this contract

### 1.1 When to use it

The FMB suggest **you** and **we** use this contract:

- for work up to an original value of about £500,000;
- with or without an independent supervising officer.

### 1.2 Checklist of insertions and deletions

See the attached checklist.

## 2 The client [**you**] and property owner

2.1 **You** can include people who are not the property owner.

2.2 However, **all** property owners must be named as the client.

2.3 If **you** are a tenant, **your** landlord does not need to be involved in the contract as the client. If **you** hold a tenancy agreement or a lease, that is probably sufficient. However, it is important to check if landlord's (or freeholder's) approval is needed for the **work** and, if it is, whether it has been given. Under condition 8 of the contract **you** must get this consent.

## 3 The contract period and completing the work – see the definitions and condition 1

If **we** do not reach completion at the end of the contract period, **we** have broken the contract.

But, **you** cannot immediately end the contract. To end the contract, **you** must serve a written notice on **us**:

saying that **we** have failed to complete at the end of the contract period; and

saying that **we** must complete the work within a further, reasonable, period; and

saying that if **we** fail to do so, **you** will end the contract.

This is similar to the procedure under condition 18.1. This is also the same procedure used for selling and buying houses.

## 4 Condition 6 and Schedule D – Transfer of local authority grant or insurance money

The transfer is with full title guarantee. This is a technical legal term. It means that **you** have the authority to transfer and there are no legal rights which affect the transfer.

**We** and **you** must fill in Part 2 of Schedule D twice. **We** will send both sets to the local authority, asking them to return one set to us, confirming that they have received the transfer.

However, the FMB give an important warning about the transfer when it relates to a local-authority grant. Some local authorities do not accept transfers as legally valid. So, **we** may still have problems in getting the local authority to pay **us** direct, even if **you** sign the transfer. The FMB has been trying to get past and present governments to put the position beyond doubt, but without success so far.

## 5 Condition 7 – Paying the price into a joint account

This is meant to help both **you** and **us**. **We** know that **you** do have the money to pay **us**. **You** know that **we** do not get the money unless **you** are satisfied and authorise payment.

## 6 Consents - condition 8

If **you** do not know what consents **you** need, **you** should get advice from an architect or solicitor.

## 7 Fitness for purpose – condition 9.4

**You** can ask for particular goods or materials to be used. The FMB advise that if **we** do not consider those goods or materials are appropriate, we should write and tell **you** this. **We** will have carried out **our** duty to **you** by giving **you** that warning. If **you** still insist on **us** using those particular goods or materials, **you** should confirm this in writing, and it will be at **your** risk.

## 8 Responsibility for the documents - condition 11.3

If **you** give **us** drawings made by someone else, **we** are not responsible for any errors or missing details in those drawings. **We** will follow the drawings as provided.

If **we** do not consider those drawings are correct, **we** should write and tell **you** this. **We** will have carried out **our** duty to **you** by giving **you** that warning. If **you** still insist on **us** using those drawings, **you** should confirm this in writing, and it will be at **your** risk.

## 9 Design and specification – condition 12.2.3

If the **work** does not involve any design element or specification by **us**, condition 12.2.3 will not apply.

If the **work** involves a material design element or specification by **us**:

condition 12.2.3 applies; and  
the FMB say the following.

**You** and **we** should check **our** public liability insurance policy and agree – preferably in writing – that it provides the cover **you** and **we** need.

If it does not, **we** will need separate insurance to meet condition 12.2.3.

The matter should be referred to an insurance adviser if there is any doubt as to what design or specification means.

## 10 Limits on how and when the site can be used – condition 14

If **you** want to add extra limits on **us** after the contract has been signed, that will be a **change**, which will mean the **price** must be adjusted accordingly.

It is particularly important that **you** state at condition 14.2 if **you** are not leaving the site empty, but will still be living on :

- all of the site; or
- any part of the site.

## 11 Condition 15 – changing the work

We have included a changing the work form with this contract. You can get more copies from the FMB. The FMB advise that the best procedure is :

(preferably) to confirm any **change** instructions in writing, at the time;

to write the details of the **change** twice, with both sets signed by you and us; and

(if possible) for **you** and **us** to agree the cost of any **change** (whether a fixed price or an estimate), at the time. If **you** and **we** do not agree the amount at the time, a provisional sum can be given. But, if that cannot be done, **we** and **you** should confirm in writing (on the **change** instructions) that no fixed price or estimate has been given at that time.

Local authority officers have different views on matters. **We** may find that something which has been approved on a previous job by a local authority officer is not accepted by a different local authority officer on **your work**. If so, a **change** may be needed to meet the local authority's requirements. So, that may not be due to a failure by **us**. The FMB advise that it is often quicker and cheaper to accept the local authority's requirements, but each case must be considered on its own facts.

## 12 Condition 18.1 – Your right to end this contract and Condition 19.1 Our right to suspend or end this contract.

If there is a dispute over **you** ending this contract or **us** suspending it, **you** or **we** will have to prove that a notice has been served. **You** or **we** may choose to send this notice by recorded delivery.

## 13 Period within which to bring claims and the defects liability period in condition 21

Usually **you** or **we** have six years in which to make a claim. Sometimes a longer period can apply and you may need to take legal advice on this. The **defects liability period** – if **you** and **we** agree this – is an extra right, completely separate from, and does not in any way restrict **your** right to make a claim.

If the **defects liability period** applies, **you** should look at the special meaning of **defects liability period** and also at conditions 2.1.4 and 2.2.4.

When the **completion date** is reached, **you** must pay **us** all the rest of the **price**, except that **you** can keep back the retention (see condition 2.1.4). If any defects, which still need action, arise over the **defects liability period**, the fact that **you** are holding this retention is **our** incentive to encourage **us** to come back and deal with them. If **we** do, then at the end of the **defects liability period**, **you** must pay the retention to **us**.

## 14 Condition 24 – disputes

**We** and **you** may sort out disputes by conciliation, adjudication, arbitration or court proceedings.

Both **you** and **we** must agree to a conciliation. Either party alone can ask for adjudication, arbitration or court proceedings.

Conciliation is a particular way of trying to sort out disputes which many believe to be quicker, cheaper and less formal than a court hearing or arbitration (if the conciliation is successful).

An independent person, the conciliator, tries to help **you** and **us** reach agreement about how to settle the dispute.

Although the conciliator can make suggestions, she or he cannot force **you** or **us** to reach an agreement. If, **you** and **we** cannot reach agreement, then **you** or **we** can continue with their other, more formal, rights of adjudication, arbitration or court proceedings.

Adjudication is a quick-fix (usually 35-day) process. Adjudication,

if it is used, will usually take place before arbitration or court proceedings. The right to adjudication is a legal one – and cannot be excluded, even by agreement. Adjudication only applies to 'construction contracts' (as defined in the 'Housing Grants Construction and Regeneration Act 1996'). It does not apply if **you** are living, or planning to live, on the **site**. If **you** do not live or plan to live at the **site**, this contract will be a construction contract, and so adjudication will apply.

However, because adjudication is quick and saves costs, **you** and **we** may want to use it, even if you live or plan to live on the site. This can be done either :

- by **you** and **we** agreeing to this, preferably in writing, after the dispute has arisen; or
- by amending the contract, when signing it, and adding the following condition.

'Adjudication under condition 24.2 applies to this contract, even if **you** live or plan to live on the **site**.'

**You** and **we** must sign next to that extra condition.

Either **you** or **we** can still issue arbitration or court proceedings, after an adjudication. Arbitration or court proceedings are a more lengthy and formal process. The adjudicator's decision must be followed by **you** and **us** until the dispute is finally decided in arbitration or court proceedings. Remember that arbitration and court proceedings are alternatives.

## 15 Disputes (additional)

If **you** or **we** suffer any losses or damages because of the other's negligence or breach of contract, **you** or **we** can claim for that. However, the FMB advise that the person who has suffered the losses or damages (the claimant) cannot sit back and let the loss get worse. The claimant has a duty to take reasonable steps to prevent the loss from getting worse. This is called the duty to mitigate your loss.

In particular, the FMB advise that the claimant must do the following.

Take all reasonable steps to mitigate the loss.

Cannot claim for any loss or damage if she or he could reasonably have avoided it, but failed to do so.

If **you** are the claimant, **you** must give **us** a reasonable opportunity to:

check the alleged defects; and

put right those defects. If **we** do that, at **our** own cost, the loss is avoided. However, this obligation (to allow **us** to put the defect right) may not apply if **you** can prove that **we** are so incompetent that **we** would not do the work properly, even if given the chance to do so.

## Footnotes

- 1 This guidance note is a general guide only. You should always get specific advice.
- 2 This guidance note is issued by the FMB to help **you** and **us**. While it represents the FMB's view of matters, in any dispute the adjudicator or arbitrator or court will decide.
- 3 The FMB would be interested to hear of any decisions of any adjudicator, arbitrator or court interpreting any term of this contract. That will help the FMB to decide whether any of the current terms need changing.
